

Amendments to the Claims

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims

1. (Previously presented) A method of treating a patient suffering from a neuromuscular disorder or condition, said method comprising the step of administering simultaneously to the patient a therapeutically effective amount of a combination of at least two neurotoxins, said combination comprising a botulinum toxin type A, and a botulinum toxin selected from a group consisting of botulinum toxin types B and E, the combination of at least two neurotoxins including an amount of each selected neurotoxin such that the combination is effective in providing an enhancement of relief of muscle contraction for a short duration, and long term relief for treating the neuromuscular disorder or condition.

2-7. (Cancelled)

8. (Previously presented) The method according to claim 1 wherein the duration of therapeutic activity is suitable for treatment of joint dislocations, relaxation for physical therapy, alleviation of muscle spasm, immobilization of a joint undergoing surgery and for prevention of muscle contractions prior to or after surgery.

9. (Original) The method according to claim 1 wherein the duration of therapeutic activity is suitable for treating tendon and ligament alignment repair, treatment of scoliosis and spasm of sphincter muscles.

10-33. (Cancelled)
